### **Physician will discuss hip pain at McKee Medical Center event**

**LOVELAND (March 9, 2010)** – The public can learn about treatment options for hip pain during a free seminar aimed at helping people return to a more active and comfortable lifestyle.

Louis Tartaglia, MD, an orthopedic surgeon, is the guest speaker for the event, Thursday, March 25 from 5:30 p.m. to 7 p.m. at the McKee Conference and Wellness Center, 2000 Boise Ave. To RSVP, please call (970) 635-4031.

If you have any specific questions you would like to submit for Dr. Tartaglia, please send them to [mckeepr@bannerhealth.com](mailto:mckeepr@bannerhealth.com).
