LIFE • HOME • CAR • BUSINESS

LOVELAND, COLORADO IS known internationally as a world-class arts community. We are also known as 'The Sweetheart City' in part due to the Loveland Chamber of Commerce's Valentine Re-mailing Program, which is the largest in the nation. The Chamber and the United States Postal Service have partnered for 70 years on the Valentine Re-mailing Program. We re-mails more than 130,000 cards each year, from all 50 states and more than 110 countries. Visit loveland.org/programs/valentine-re-mailing-program for more information on the Valentine Re-mailing Program.

The Loveland Chamber of Commerce oversees the Loveland a City with HeART™ program. Each fiberglass heart is 5 feet tall and 4.5 feet wide. Hearts are individually sponsored. Owners of these HeARTs name each piece and choose the artist whose work comes to life within the heart. Upon completion, the Loveland Chamber of Commerce will sponsor a revealing ceremony to promote and share the new HeART with our community. To see a photo gallery online, go to Loveland.org and search "Loveland a City with Heart."

Please use this map to visit each of the HeARTs while taking in the beauty of our city. **Want more?** This HeART map invites visitors and residents to engage in a community activity: Locate each heart and snap a photo; when you have photographed each HeART, be sure to visit the Loveland Visitor Center and receive your gift to celebrate our Loveland a City with HeART program.
