Space is limited so get your fully completed application turned in.

Parade Rules & Regulations

General Rules and Regulations:

1. Entries must observe all applicable rules and regulations and follow all instructions from police or parade officials, or they will be removed from the parade. A parade application does not guarantee participation.
2. The parade theme is "Follow the Yellow Corn Road to the Loveland Corn Roast Festival". Entries will be judged on theme continuity, originality, general appearance, and complexity.
3. Entrants are allowed a maximum of **one (1) minute** in front of the judging stand to perform. If a performance is to be given for the judges, please note this on the application for consideration of placement.
4. All entries must be approved by the Parade Committee. Entries may display a variety of designs, so long as they are in good taste. The Parade Committee reserves the right to withdraw any unit, costume or performance that does not meet parade rules or regulations or conform to the standards of reasonable public taste.
5. Accepted entries will receive an email notifying them of their staging times and locations. Your NUMBER will be emailed to you, and you must print it out and attach it to the right side of your float.
6. Accepted applications may not be transferred to other individuals or organizations.
7. All children under the age of 18 participating in the parade must be supervised by an adult.
8. No children under the age of eight (8) will be allowed to walk in the parade.
9. Enticing the public (specifically children) into the parade route (street) to pick up candy or other items thrown from the floats or vehicles is considered a violation of public safety and **entrants will be asked to leave the parade route.**
DO NOT THROW items into the crowd or street. Items may be handed out, but not thrown.
10. Participants will not accost parade route spectators. No water guns or water balloons will be used to spray or throw at the spectators.
11. Alcoholic beverages are strictly forbidden on any float, in any vehicle or on the person of any participant. Participants consuming alcohol prior to or during the parade will be removed.
12. No unit may impede the continuous flow of the parade. Stay within one float length of the entry in front of yours or your entry could be disqualified from judging.
13. If for any reason a gap of greater than 20 feet is created, floats must close the gap. Stopping or reversing motion on the parade route will be grounds for disqualification. This may also result in removal from the parade and jeopardize future invitations to participate.
14. All participants must be covered in one or more signed 'Parade – Liability Release' forms. The form is found on page 5 of this application. This must be submitted with the parade application to be considered for the parade.
15. Riders should not leave their floats until they have safely reached the Barnes Parking Lot entrance. This is the **ONLY** designated area for riders to unload from their floats.
16. **PARADE COMMITTEE DECISIONS REGARDING ALL ENTRIES ARE FINAL.**
